## WHAT WE DO

# Craftsmanship in pictures.

From insulation and wall finishing to floors and outdoor work – a look at the work we carry out by hand every day in Eindhoven and throughout Noord-Brabant.

### INSULATION

#### Insulating attics & roofs

We insulate attics and sloped roofs from the inside – for more comfort and a lower energy bill.

### WALL FINISHING

#### Wall finishing with panels

Sleek wall panels and wooden slat walls that instantly give a room character.

### FLOORING

#### Laying & levelling floors

Levelling subfloors and laying new floors, neatly finished right up to the skirting.

### EXTENSIONS

#### Extensions & annexes

Custom extensions, annexes and canopies – cleanly finished and seamlessly matched to the existing home.

# From first conversation to delivery.

---

01

## Introduction & site survey

We visit, assess the situation and listen to your wishes. This gives us a clear picture of the project and what's needed.

---
